→ Universal Design

Universal Design

Large, 1.8-inch LCD and Simple Menu

The large, 1.8-inch screen is easy-to-read, and the simple menu screen lets you access functions without confusion. Universal Design focuses on user-friendliness.

Universal Design

Large Text Display

Large Bright Display with Big Text makes it easy to understand and operate. This is especially helpful for people who have difficulty reading small letters.

→ Prevent Unwanted Calls!

Unique Technology

Incoming Call Barring* (Call block)

Calls from previously registered phone numbers are rejected. There is no more need to hear the voices of callers you wish to block.

* Requires subscription to Caller ID service offered by a telephone company

→ Ample Address Memory

100-Name and Number Phonebook

You can store up to 100 names and numbers in the built-in memory of the handset, for quick and easy access. You can also transfer individual names and numbers or the entire directory all at once to an optional handset*.

* Optional handset required. Not available for BX model.

→ Visual Confirmation of Incoming Calls

Universal Design

Illuminated Keypad and Ringer Indicator

When there is an incoming call, the keypad on the handset lights up and the Ringer Indicator blinks to tell you. The illuminated keypad also simplifies operation in the dark, and the Ringer Indicator up while the battery is charging. It also acts as a Charger Indicator. When the battery is fully charged, the indicator turns off.

→ Talk Even While You're Busy

Hands-Free Speakerphone on Handset

The hands-free speakerphone lets you talk on the phone even when you're busy cooking, cleaning, using your PC, or doing just about anything. It's also handy for taking notes, typing, etc.

→ Answers for you when you're away

Digital Answering System

This system automatically answers and takes a message from the caller when nobody is at home.
